Vocal Matrix Chorus participates in competitions at both the regional level, in the Heart of the Blue Ridge Region 14, and on a global scale through Sweet Adelines International.

Vocal Matrix Chorus is one of over 500 choruses in the Sweet Adelines International Organization (SAI) which includes approximately 21,000 members in choruses and quartets on five continents. As a non-profit 501(c)(3) organization, Sweet Adelines International and its chapters -including Vocal Matrix - are committed to elevating women singers through education, performance, and competition in barbershop harmony and a cappella music.

Vocal Matrix members are active in the Upstate, volunteering both time and talent during the many local festivals such as Artisphere and Fall for Greenville and civic events such as the Veterans Salute. They perform regularly throughout the community, offering their engaging harmonies and infectious energy for entertainment at charitable functions, private parties, and public events at senior centers, schools and churches.
